

Hi!

WELCOME TO THE COVE

Thank you
for joining us!
We're happy
to meet you!

WE'RE SO GLAD YOU ARE HERE!

We wanted to let you know a little more about who we are at The Cove Church. This book covers the basics of The Cove, what we're all about, and how you can get involved here. Through attending weekend services, joining a serving team, or checking out a Life Group, there are many ways to get connected.

Let us know how we can help you get connected.

Email us at info@covechurch.org or give us a ring at [704-655-3000](tel:704-655-3000).

We are one church in multiple locations.

Whether you're joining us at a Cove Campus, from your living room via CoveChurch.TV, or across the country, we're one big family.

NEXT STEPS

What is a Next Step? Everyone has one, but they are different, depending on where you are in your journey. If you are a new follower of Christ, your next step is Baptism by water immersion. Or, your next step could be joining a weekend serving team or Life Group. Let us help you get connected.

LIFE GROUPS

It's a great way to get to know people around here!

At The Cove Church, Life Groups are how we stay connected. These are small groups of people who get together to study the Bible, get to know one another, and have fun! Groups meet in homes, businesses, and coffee shops across our communities.

Life Groups are all about finding a group of people to connect with; where you know what's happening in each other's lives and have each other's back. No matter where you are on your journey, it's important to keep growing and to have encouragement. Life Groups are a great place to find some amazing people who you can learn with, grow with, and count on.

GROW IN A DAILY, PERSONAL TIME WITH GOD

Taking focused time out to listen to God and read the Bible is one of the best ways to start your day! We want to encourage you in this.

One easy way is to start with a daily devotion. Each week, our team writes devotions based on that week's message, including additional scripture to help you get into your Bible and grow your personal relationship with God. You can find these online anytime, or sign up to have them delivered to you automatically via email each day.

Starting your day with God is a great foundation for your growth.

Cove Kids welcomes children ages 6 weeks through 5th grade. Each service will have a time of high-energy worship and age-appropriate video messages in large group settings, as well as small group discussions and fun activities to help them learn how to apply the Bible to their everyday lives.

Fun brings them, love keeps them, and learning changes them. In Cove Kids, we believe in partnering with parents to help children thrive in their evolving walk with Jesus. The mission of Cove Kids is to "Introduce children to Jesus, Show them what it means to follow Him, and Celebrate God's presence in their lives."

Based on the Great Commandment and the Great Commission, we desire to partner with parents to raise children who love God, love others, and serve the world like Jesus did.

Our Cove Kids teams want this to be the best part of your kid's week!

Cove Students invites 6th through 12th graders to an experience created specifically for them. There, they will make friends, have fun, hang out, explore what it means to have a relationship with Jesus, and be exactly who He has made them to be.

During each service, they will experience a time of high-energy worship, hear a great message, and participate in small groups to help them focus on God and reenergize for the week ahead.

FIND YOUR TEAM

We're all about coming together to create a friendly, welcoming place for people to hear about Jesus. God deliberately shaped and formed you to serve. He gave you certain abilities, interests, talents, gifts, personalities, and life experiences to put to work for Him.

Serving is one of the best ways to make a big church feel small.

Serving is also a great way to get connected. On a serving team, you'll have the chance to meet other people as you serve together. Whether you are looking to serve at your campus or behind the scene during the weekdays, there's a place for you!

If you aren't sure where you'd like to serve, you can join us for a behind-the-scenes look of our serving teams in action. Or let us know what interests you and we'll help you find a place to get started!
